Top tips for writers

None of us find writing easy. When you can't see the person who you're talking to, (1) is much more difficult. You have to be **(COMMUNICATE)**

2) to communicate your message clearly, but how do you do that? **(CARE)**

The first thing you must think about is who you're writing to. Then you can make a (3) about how formal it should be **(DECIDE)**. A letter to a friend is more like (4) English **(SPEAK)**, so your (5) should be in your writing, while a letter to a hotel manager is formal **(PERSON)**. You also need to think about what kind of thing you're writing. The language in a story, for example, should be (6), but the language in a report or an article **(EXPRESS)**

should be much more (7) **(INFORM)**. When you're writing a formal essay giving your opinion, make sure the (8) **(INTRODUCE)**

gives a general idea of the subject.
